## Clean Your Windows

A young couple moved into a new neighborhood. The next morning while they are eating breakfast, the young woman saw her neighbor hanging her wash to dry. "That laundry is not very clean," she said. "She doesn't know how to wash correctly. Perhaps she needs better laundry soap." Her husband looked on but remained silent. Every time her neighbor hung her wash to dry; the young woman repeated her observations about the dirty laundry.

About one month later, the woman was surprised to see a nice clean wash on the line and said to her husband: "Look, she has learned how to wash correctly. I wonder who taught her this?"

The husband said, "I got up early this morning and cleaned our windows."

Matthew 7:3-5 - Why do you see the speck that is in your brother's eye, but do not notice the log that is in your own eye? 4 Or how can you say to your brother, 'Let me take the speck out of your eye,' when there is the log in your own eye? 5 You hypocrite, first take the log out of your own eye, and then you will see clearly to take the speck out of your brother's eye.
