Lift Up Your Voice

Did you know that nowhere in the world is there any voice just like yours. It is unique in all the universe. God gave each of us a voice so that we could not only communicate with Him but also with one another.

Research demonstrates that sheep know the unique voice of their shepherd. Studies show that dogs recognize individual voices and are far more responsive to tone of voice than specific words. Babies in the womb begin to hear and react to their mother's voice at 25 weeks.

It should come as no surprise that we would also use our unique voices to sing and praise the Lord! Regardless of language, dialect, or ability, the Lord wants to hear OUR voices praising him in worship and song.

This is the last Sunday of the month in August 2024

This evening our church will be having our monthly Congregational Singing service at 5 PM.

This is a wonderful time of worship and praise centered on song where Jesus hears our voices singing in praise and worship.

Psalms 96:1-2

Oh sing to the Lord a new song;
sing to the Lord, all the earth!
Sing to the Lord, bless his name;
tell of his salvation from day to day.
