Bread in the Hand

David used what he had--a sling. For the little boy at the feeding of the 5,000 it was five loaves and two fish. For Samson it was the jawbone of a donkey. God can use anything.

At the close of World War 2, the Allied armies gathered up many hungry orphans. They were placed in camps where they were well-fed. Despite excellent care, they slept poorly. They seemed nervous and afraid.

Finally, a psychologist came up with the solution. Each child was given a piece of bread to hold after he was put to bed. This particular piece of bread was just to be held--not eaten. The piece of bread produced wonderful results. The children went to bed knowing instinctively they would have food to eat the next day. That guarantee gave the children a restful and contented sleep.

A Committed Christian serves the Lord absolutely. They serve and live by faith in God.

"My job is to do the best I can. The rest is in God's hands." -
-Martin Luther King Jr
