Leadership Dynamics

Top 5 Skills Employers Look For:

- Critical thinking and problem solving.
- Teamwork and collaboration.
- Professionalism and strong work ethic.
- Oral and written communications skills.
- Leadership.

These are the top qualities and characteristics desired in a leader:

- 1 – Compassion. ...
- 2 – Confidence in Themselves and Their Team. ...
- 3 – Great Communication Skills. ...
- 4 – The Ability to Make Tough Decisions. ...
- 5 – The Desire to Serve a Purpose Greater than Themselves. ...
- 6 – Recognize and foster potential
- 7 – Leads by Example.

Any solid relationship between a leader and subordinates is one rooted in Trust, Respect, and Obedience.

Difference between a manager and a leader - The main difference between leaders and managers is that leaders have people follow them while managers have people who work for them. A leader takes charge, is influential, and sets an example.

Jesus and his disciples set the example for all of us to follow when it comes to recognizing strong Leadership and Follower dynamics. Let us all strive to follow their example.
